Instrument Contract

Student Name: _____

Being a percussion player is unique in regards to checking out instruments. Some instruments will be checked out specifically to a student, and some will be checked out to the entire section. The same goes for mallets and sticks.

By signing below, you fully understand and agree to the following:

1 The instrument is subject to inspection by the instrumental music director at all times. The instrumental music director can revoke the agreement at any time due to lack of instrument care.
2 No person, other than the student listed on this agreement, is permitted to handle or use this instrument without the consent of the instrumental music director.
3 The student or his/ her parent or guardian will report immediately to the instrumental music director any damage or loss to instrument or accessories.

4 The student will make no repairs, nor permit anyone else to make repairs, to the instrument without the consent of the director.
5 If the child discontinues his/her participation in the instrumental music program the instrument is to be returned immediately.
6 The student and his/her parent or guardian will be responsible for the instrument including any damage caused by carelessness or negligence and agree to return the rented instrument in the same condition in which it was issued, with the exception of normal and customary use. Dents, scratches, broken parts and all other such conditions are not considered part of normal and customary use. The cost of returning the instrument to the condition in which it was issued is to be the responsibility of the student and/or his/her legal guardian. If the instrument cannot be repaired or it is lost, the parent agrees to pay for replacement of the instrument.
7 The student will clean and maintain the instrument properly, as prescribed by his/her teacher.
8 The parent(s)/guardian will provide the student with all additional accessory items needed to properly maintain and play the instrument.
9 Instruments and accessories must be returned on the day requested by the Instrumental Music Director.
