Step 1

- ❖ Apply the stencil to your face

This is the stencil we will be using on everyone

Step 2

- ❖ Apply the blue eyeshadow onto the stencil and add 1 to 2 coats
- ❖ This should go all around the side of your face

Step 3

- ❖ For boys you only need to do the scales on the side of the face
- ❖ Girls will have the addition of eyeshadow and blue lipstick

Start with the blue eyeshadow for the scales and make a winged shape on the eyelid

After that, apply glitter light blue eyeshadow in the inner parts of your eyelid
