

Dear Parents and Students,

I would like to welcome each of you to the 2022-2023 Instrumental Music Program. I am looking forward to a great year of new and exciting things. In this packet, you are receiving forms that need to be returned to me on or before August 11th. The three different forms that need to be returned are:

- Syllabus agreement and information sheet
- Trip permission form
- Instrument contract (if checking out a school instrument)

The first form is the syllabus agreement and information sheet. This is the last page of the syllabus. It needs to be torn off the back, filled out, and turned in. This information should be the most current available. I like to send out information by email, so please provide an email address that is current and checked often. Please print clearly. The rest of the syllabus is for you to keep.

The next item that needs to be turned in is the trip permission form. The top is already filled out. You need to fill out the student information section, the emergency contact section, and sign at the bottom. We do this form at the beginning of the year as a blanket for the whole year. This form allows your child to ride the bus to and from events and allows medical attention to be given in case of an emergency. The school requires this form, so your child will not be allowed to perform at any event until this form is completed and turned in. Please note that the emergency contact on this form should be someone different than the parent or guardian.

The last form is the instrument contract. If the student is using a school instrument, this form must be filled out. Although most students take good care of their instruments, this form is to protect the music program and its instruments.

Please feel free to contact me with any questions, comments, or concerns.
