

Tustin High School
1357 Orchestra Syllabus
2022-2023

Course Description

Orchestra is an ensemble devoted to the study and performance of music written for varying combinations of string instruments. Emphasis is on ensemble techniques that includes articulation, balance, bow technique, phrasing, expression, and accompanying. Concerts typically include works for small groups as well as those for full symphonic orchestra.

Course Requirements

This class is an auditioned only class. Students must keep their grades up to stay in this class as stated in grade expectations. Students are required to attend all rehearsals and performances.

The Tiller Family is a “Team” that produces graduates who:

- T** Think critically across the curriculum through:
 - Integrating WICOR strategies
 - creating and developing high quality products
 - analyzing multiple sources
- E** Effectively Communicate
 - using a wide range of media and technology
 - by taking personal, social, and civic responsibility
 - fostering positive interactions with our diverse population
- A** Advance Literacy:
 - while innovating, discovering, and taking risks
 - through synthesis and analysis of a rigorous curriculum
 - by exploring cultural, scientific, global, and visual competencies
- M** Manage time and resources effectively by:
 - prioritizing, planning, and achieving results
 - using real-world tools
 - balancing physical and mental fitness

Grading

Students are responsible for maintaining their grade and sharing it with their parents. Grades will be updated weekly on Aeries. You will be evaluated in the following areas:

Performance	40%
Monthly Participation	30%
Reading/Writing	10%
Theory	10%
Playing Test Packets	10%

Performances

Attendance at performances is a required part of your grade. There is no way to make up a public performance. Your absence from a performance not only affects you, but it affects the other students in the program. If a student is absent from a competition, it could have a direct impact on the group’s overall score.

The performance part of your grade is worth 50% of your overall grade. You will be given 5 points for every performance. Students will lose points for the following reasons:

Being tardy	-1
Being very tardy (10 minutes or more)	-1 to -3 points
Leaving before you are excused	-1 point
Inappropriate behavior	-1 to -5 points
Inappropriate dress	-1 to -5 points
An excused missed performance (with make-up assignment)	-0 points
An unexcused missed performance	-5 points

If you have any conflicts with the year's schedule, it must be submitted in writing, using the absence form, to the Orchestra Director no later than August 27, 2021. The Orchestra Director then must approve your request for it to be an excused absence; otherwise an unapproved absence will affect your grade. The only excused absences after that date will be as follows: funerals or extreme medical conditions. If a situation comes up, and you will have to miss or be late to a performance, you must contact the Orchestra Director immediately. Do not wait until the last minute. Most problems can be solved. Make sure to give enough time to allow that to happen. Work, babysitting, not having a ride, being grounded are examples of non-acceptable excuses.

If you miss(ed) a performance you will have to fill out a pink absence form. If you know about the missed performance before the performance, the pink form must be turned in as soon as you know you are going to miss. If you miss a performance at the last second, you will have two (2) day to turn in the form if you would like to make it up. Turning in the forms at the end of the season will not allow you to make up the missed performance.

Monthly Participation

Band is a class and students will receive credit for the class, however it is not set up to exist like the traditional academic class. In a math class or English class the student's attendance is not critical to the success of the performance of the class. It is critical for a student's own success but not for the group's success. In a performance class, attendance is very critical to the success of the program.

Monthly participation in class is worth 30% of your overall grade. You will be given 5 points at the start of every Month. You will lose points for the following reasons:

Tardy (per day)	-1 Point
Talking during rehearsal (per infraction)	-1 Point
Chewing Gum	-1 Point
Not having supplies (Music, Pencil, etc.)	-1 Point
Use of electronic devices (cell phones, iPods, etc.)	-1 Point
Not turning in forms on time (per day)	-1 Point
A cut class	-3 Points

There can be other reasons to lose points as well. There is no way to address every scenario. Use your best judgment. It is possible to have negative points at the end of the month.

Reading/Writing

Reading/writing is worth 10% of your grade. There will be different assignments throughout each semester. Most assignments will be done during class, some might be homework. Late assignments receive 50% credit. Late assignments will be taken up to a week late.

Theory

Theory is worth 10% of your grade. There will be five different theory assignments throughout each semester and a final theory exam at the end of the semester.

The assignments will be given on Mondays and will be due Fridays. Homework is due when the bell rings at the beginning of class. If it is turned in after that, it will be considered late. If a student is absent on the Monday an assignment is given, it is the student's responsibility to get the assignment when he or she returns. It will still be due on Friday. Late work will only be accepted if the student had an excused absence (not a school event) on the day the assignment was due. If the student was present on Friday, and turns in the assignment late, the student will only get 50% credit. Late assignments will be taken up to a week late. The grade will be broken down in the following way:

Assignment #1	50
Assignment #2	50
Assignment #3	50
Assignment #4	50
Assignment #5	50
<u>Final Exam</u>	<u>100</u>
Total	350

Playing Test Packet

The playing test packet is worth 10% of your grade. You will be given one packet per semester to work on. There will be 5 different sections in each packet. There will be different days during the semester that we will have playing test days. Each section is worth 5 points. You must receive at least a score of 4 in order to pass each section. You can only pass 2 sections per day. The assignments will be graded and posted periodically during the semester. Students may test multiple times until they pass. Students can choose to submit a video through Schoology or test in person with Mr. Fisk. If the student submits a video online and receives less than a 4, the student will have to test in person to pass that playing test.

Fundraising

General Funds – The general fund is the responsibility of the Instrumental Booster Club. It costs about \$2,000 to run this program every year. We need everyone's help to raise this money. The Booster's Treasurer will provide monthly updates of the general fund at every booster meeting. If you have any questions regarding the budget, or would like to see it, please contact the Orchestra Director.

Notebook Suggestions

It is recommended that each student have 2 different 3 ring binders. One folder should be used for music with at least 20 plastic windows in it. It is preferred that this binder be black. The other folder should be used for theory and should have 8 dividers in it. All of your theory from all semesters should be kept as resources since all semesters will build off the last. Both of these two binders should be able to last for all four years.

Concert Dress

Option 1

- Black Dress Top (past the elbows)(no T-Shirt)
- Black Dress Slacks, Long Skirt, or Dress (at least to the mid-calf)
- Black Socks or Black Nylons
- Black Dress Shoes (all black)

Option 2 (tux)

- Black Coat
- Black Pants (not jeans)
- White Tuxedo Shirt
- Black Bow Tie
- Optional Black Cummerbund
- Black Socks
- Black Shoes (no tennis shoes)

Avoid jeans and sneakers. All tops must have a conservative neckline.

(Concert dress must be worn at all concerts.)
If you would prefer to borrow performance attire rather than purchase your own, please let the Band Director know by October 1st.

Hair/Make-up/Jewelry

We are performing ensemble. We are supposed to look similar to each other on stage. These expectations below are to make sure one student is not a distraction to the audience.

Hair – For performances hair is to be kept at a natural hair color. Hair may be dyed, but needs to be a natural (or pretty close) color. If your hair is dyed to an unnatural hair color you could be a distraction to the audience and make you stand out. If your hair is dyed and it is determined that it will be a distraction you may be told you are not able to perform and as such your grade will be affected. Hair is to be done in a professional manner for performances. It should not look like you rolled out of bed.

Make-up – Make-up is optional for performances. If you choose to wear make-up, please make sure it does not make you stand out from everyone else. Keep in mind that you are wearing concert black. Brass players should not wear lipstick.

Jewelry – Jewelry is also optional. If you choose to wear it, please make sure it is not a distraction to the audience. It should not be too much “bling.” Also keep in mind it should not get in the way of you playing your instrument.

Bus Rules

We use the bus many different times throughout the year. We want to make sure that the bus drivers look highly upon the Tustin High School Instrumental Program. All noise making devices must have the volumes turned off or you may use earphones. There should be no music playing on the bus. The bus will enter the silent zone when we are about 5 minutes from our destination. All electronic devices must be turned off and put away at this time. This is to be observed on all bus trips. Do not change seats while the bus is in motion unless authorized by the parent chaperone. Do not spray ANYTHING on the bus, including perfume. Show proper respect to chaperones, drivers, and all student leaders at all times. Pick up all trash when the trip is over BEFORE getting off the bus. No PDA on the bus.

Early Dismissal or Late Arrival at Performances

Anyone needing to arrive late or leave early from an organized music group activity (i.e. performance, football game, or competition) must bring a note from his/her parent to the Orchestra Director at least one week before the event. This note should contain the following: student name, parent name, date written, date of performance, reason, and the name of the person picking up the student (must be at least 21 years old and on the contact list on the student's Aeries account). The student will not be dismissed to an unauthorized adult, unauthorized sibling, or boy/girl friend. Anyone becoming ill during a performance should contact a chaperone and the Orchestra Director. There will be no exceptions to this policy. No student will ever be able to drive themselves to an organized performance when everyone else takes the bus.

All Students are expected to ride the bus to all events. If there is a special reason why you are not able to ride the bus to an event the Orchestra Director must be told immediately. Most requests will be denied. Students are less prepared when they do not meet at school and ride the bus to events. If a student meets us at a performance without prior approval that students will lose points and may not be able to perform. The student may also be sent home since they are not technically on the trip with us. This will be counted as a missed performance and their grade will be affected accordingly.

Grade Expectations

The class you are taking is a class that requires rehearsals and performances outside of the normal school day. Because of this, it will take more time than a normal class. I will be checking every students' grades every quarter to determine that they are maintaining their grades. The expectation is that there are no F's and no more than 1 D. If a student falls below the expectations, they will be put on probation.

Probation 1 – This is your first semester on probation. You will not be allowed to participate in Winterguard or Drumline.

Probation 2 – This is your 2nd consecutive semester falling below grade expectation. You will not be allowed to participate in Marching Band, Drumline, or Winterguard.

Dropped – This is your 3rd consecutive semester falling below the grade expectation.

You will be removed from the instrumental music program. You may rejoin if you have 2 consecutive semesters without any D's or F's.

Dropping Orchestra

If a situation comes up where you want or need to drop orchestra, you need to wait until the end of the semester. Once auditions are done, you are a member of the group. If you drop orchestra after that date, you will not be welcomed back to any instrumental music class at Tustin High School and will be removed from any other ensembles. Orchestra commitment is from August to the end of December and from January to May.

Video Taping Performances

If your parents want to video tape the performance, they are usually allowed to do so. A couple points:

- Please be aware where you are standing or sitting. If you are going to stand, sit in the back of the seating area. If you are sitting up front and you are hold up a device, you might be blocking someone behind you.
- The performances we do are involving music. We own the copyright to play this music, but you do not own the rights to video tape and distribute the product (YouTube). This is called synch rights and they are very expensive. Do not put yourself in a situation to get sued. If you are going to post the video on YouTube, make it private. That way anyone you want to see it can view the link but no one else can. Music companies have people that go looking on YouTube for copyright violations.

Pictures and Likeness

This is a performance group. We have many performances outside of the school day. At many of the performances there is often a photographer taking pictures of the group. Your child may have their picture taken and posted on our website or an outside website. We have no control on who they post on an outside website or on any promotional material. We are not able to opt out of it. Because of this, if your child performs with our group, you are giving your permission to have their picture posted online. If there is a picture that you do not like on our website, please email and as long as it is not a group picture I will remove it.

Code of Conduct

Because our performing organizations represent our school, it is necessary for the welfare of the school to have each member be on their best behavior at all times. To encourage the highest expectations and respect for the school, family, and the organization you perform in, the Instrumental Music Department Staff at Tustin High School will expect all performers to abide by the following:

- Always demonstrate appropriate behavior at all times

- Display a positive attitude
- Follow all school rules and regulations
- Do not smoke, use drugs, alcohol, or use profane language
- Respect the director, instructors, parent volunteers, and student leaders in rehearsals and performances and use proper etiquette at all times
- Be aware of the dates, times, and events which are taking place and notify parents, employers and others concerned regarding these dates, times, and events
- Support the group by participating in all fundraising activities
- Be on time for all specified events at or away from school
- Always attend and perform to the best of your ability in rehearsals and performances
- Attend all rehearsals and performances unless there is a death in the family or a serious illness of the member as documented by a doctor's note
- Have your instrument in playing condition at all times
- Do not post any negative comments about any other student or group at Tustin High School on any social media or internet posts
- Do not post any negative comments about any other school's performing ensembles on any social media or internet posts
- Be professional in group texts used for school purposes.

Music

Every student is required to have his or her own music with them everyday. The music is the property of the school and is to be kept in good condition. If a student loses a piece of music, it is his/her responsibility to find another copy from a student in his/her section and make a copy of it themselves. If he/she is unable to find another student's music, he/she must print it out from the website. Using a laptop during rehearsal is not allowed.

Communication With Families

E-mail - Email addresses of all students and parents will be requested at the beginning of the year. This will be the primary form of contact by the director. This is an easy way to stay informed and everyone is encouraged to participate.

Music Students - Information will be given to each student throughout the year. Most of the information given to the students will also be emailed to parents; however, the students are going to be responsible for bringing home some information to the parents that is not sent by email.

Website – Most information that is given to students or distributed at a booster meeting will be available on the website. All calendars and up to date news will also be on the website. Please bookmark it and check it often. www.tustinhsmusic.com

Other Important Information and Rules

Communication – Most misunderstandings occur when students are not communicating their needs effectively to their parents or me. Please inform me of any problems as soon as possible. I do understand that students' and parents' lives are busy and hectic. Please allow me the chance to help you resolve any conflicts. Finding out about a problem after the fact will be a mutual point of frustration and possibly cause your grade to be lowered. We will be utilizing the website for the primary form of communication. I am available almost every snack and lunch for extra help for the students. Most of the time, problems can be solved within 15 minutes of one-on-one time.

Donation Information – **Dear Student:** The Constitution of the State of California requires that we provide a public education to you free of charge. Your right to a free education is for all school/educational activities, whether curricular or extracurricular, and whether you get

a grade for the activity or class. Subject to certain exceptions, your right to a free public education means that we cannot require you or your family to purchase materials, supplies, equipment or uniforms for any school activity, nor can we require you or your family to pay security deposits for access, participation, materials, or equipment. Under certain circumstances, students involved in extracurricular programs, clubs and/or sports may be required to attend fundraising events held by the program, sport or club just as you may be required to attend any other event put on by that program, club or sport. However, you will not be required to raise funds as a condition of participation.

Electronics – Students may not use a cell phone or any electronic devices during school, in the classroom, and during rehearsals without permission from the director. Students may not record any part of a class rehearsal in any media for any reason without my written permission and review (no verbal permission will be granted). However, students are encouraged to have a cell phone on their person for after school activities and performances. Furthermore, students are encouraged to enter a phone number under “ICE” (in case of emergency) in their contacts.

Back Door – At no point during the school day is the back door to be opened for any reason. If you open the back door, you will be given detention. Please do not ask to have something dropped at the back door.

Picking up students performances – After all performances, please plan to show up when we are scheduled to arrive. With almost all students having cell phones, it is much easier to let parents know if there are any changes to the schedule.

Forms – There will be different times throughout the year when the students are going to be given forms to fill out and a return deadline will be given. Please make sure that all forms are turned in on or before the deadline. Students will be given classroom detentions if the forms are turned in after the deadline. It takes a lot of work to put the forms in order and to track down the students that did not turn it in yet. Please do not be that student.

Writing on the Board – Please refrain from writing or erasing anything on the whiteboard or blackboard without permission from the Band Director. The information on the board is important to everyone and should not be messed with.

Friends in the Orchestra Room – As much as I want your friends to see how band works and to hang out in the Orchestra Room with you, it does not work well. With all of the equipment in the Orchestra Room, it is much easier to not have anyone in the room during the day besides music students. Please ask your friends to wait outside if you are going in the Orchestra Room. If one of your friends would like to talk to me, they are more than welcome to come in and talk to me.

Hats and Sweater Hoods – At no time when you are in the band room may you wear a hat, sweater hood, beanie, or anything else on top of your head. It affects the sound that you hear when you are playing. Get in the habit of taking it off when you enter the room.

Contacts – If you have any questions throughout the year, please feel free to contact me at anytime.
