Competition/Football Sign-up Information

The band will attend various events throughout the marching season. We will need the assistance of several parents at each event to achieve success. All chaperones are expected to arrive at Tustin High School at the “doors open” time on the schedule, check in with the “Chaperone Lead”, ride the bus (or U-Haul), and stay until the students are dismissed. When chaperones arrive, they will be given a list of tasks of various jobs they will have throughout the day. Only chaperones signed up for the competition are allowed to ride the bus. Each chaperone will be given one free admission to the competition/Football Game for the backside stands. Chaperones must be free from distractions, including caring for younger children.
